Cerberus Sciences makes no express or implied warranties in respect of the Supply except where this would contravene any statute or where the exclusion of an express or implied term, condition or warranty would be void ("collectively, Non-excludable warranty"). However, where exclusion of express or implied warranties does not constitute a Non-excludable Warranty, Cerberus Sciences excludes all warranties, terms and conditions and all liability to the Client for consequential or indirect loss or damages. In any event, in respect of both Non-excludable warranties and excludable warranties, Cerberus Sciences' liability arising from anything under this Supply is limited, at Cerberus Sciences' election, to an amount equal to the payment received from the Client for the Supply or the repeat provision of the Supply
