Quality Improvement Plan

Goals

2023

Quality Area 1

To fulfill our commitment to ongoing learning and being members of learning communities and to make a positive difference for children, families and communities, all educators at WCCC need to practice effective and meaningful critical reflection.

Quality Area 6

Educators that are culturally responsive , respect multiple cultural ways of knowing, doing and being and celebrate benefits of diversity. This includes a genuine commitment to embed Aboriginal and Torres Strait Islander perspectives into all aspects of the curriculum.
