

# Climate Change: Catastrophic Impacts and Human Rights

**A Research Tuesday joint presentation with  
The Hon. John von Doussa QC and Professor Barry Brook**  
Tuesday 11 December at 5.30pm, North Terrace Campus

The Hon. John von Doussa QC is Chancellor of the University of Adelaide and President of the Human Rights and Equal Opportunity Commission. Professor Barry Brook occupies the Sir Hubert Wilkins Chair of Climate Change and has recently been named one of the top 10 young scientists in Australia.

### **Synopsis:**

A joint presentation which addresses the impacts of climate change on global communities. Professor Brook will review the most recent scientific projections which suggest we are pushing the Earth towards dangerous and irreversible 'tipping points'. Mr von Doussa will then explore how a human rights framework might be developed to cope effectively with climate change.

### **Venue:**

Lecture Theatre 102 Napier Building, North Terrace Campus. Duration is approximately one hour. Admission is free.
