Airport and other transfers

Using a wheelchair lifter

Ezylift Minibus

0413 117 017

Specialising in providing comfort and dignity to your travels, no matter what your mobility needs may be .

We are a family owned and operated minibus company catering to the transport needs of people with mobility aids, such as a wheelchair, walker, scooter, or crutches, as well as people just needing a little help getting into or out of a bus.

With over 20 years experience in passenger transport in South Australia we pride ourselves in providing a safe, reliable, comfortable, enjoyable and economical transport service across town or across the state .

Using a minibus with a hydraulic lifter, we can comfortably carry 15 passengers as well as a wheelchair, or up to 17 passengers, for group travel to;

Sporting, shopping or other outings.

Special events and functions.

Airport arrivals or departures.

Corporate travel.

We can also arrange your tour or charter specialising in visiting accessible venues and locations in South Australia's many popular sightseeing, tourist and winery regions.
