

Research Students

Fees for external Examiners

Universities Australia regularly reviews the standard fees that it recommends universities pay to external examiners for Masters, PhDs, and Higher and Professional Doctorates.

As of July 2009:

- for Masters theses and non-research Professional Doctorates \$225 gross honorarium is paid.
- for Doctor of Philosophy theses, Higher Doctorates, and Professional Doctorates where the thesis comprises more than 66% of the assessment \$398 gross honorarium is paid.
