APPENDIX A: GANTT chart: Research Plan

NAME: _____ **CURRENT AS AT:** _____

	20_____												20_____												20_____											
Tasks/Milestones (◆)	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D
Research commencement																																				
Literature review																																				
Research proposal																																				
Completion of the core component																																				
Yearly seminars																																				
Data analysis: Study 1																																				
Writing: Study 1																																				
Conference paper preparation																																				
Conference attendance																																				
Research design: Study 2																																				
Data collection: Study 2																																				
Data analysis: Study 2																																				
Preparation of journal paper																																				
Potential follow up research																																				
Thesis writing/editing																																				
Thesis review by supervisors																																				
Incorporate supervisors' feedback																																				
Annual reviews																																				
Major review																																				
Submission																																				

Legend

◆ Enter this symbol in the relevant square to record a task or milestone with an associated date e.g. Research Commencement Date (Jan 09), completion of the core component (Jun 09).

■ Enter this symbol in relevant square to represent the time that you will be working on tasks e.g. shade Jan 09 to Jun 09 to indicate you will be working on your research proposal.

Rows Add new tasks/milestones by inserting rows and amend existing tasks/milestones to customise your research plan.
