Required program of activities at the commencement of candidature

- 9.1 Each candidate (including those on remote candidature) will be enrolled on a provisional basis for the first twelve months of the degree.
- 9.2 Continuation of enrolment at the end of this period will depend on overall academic progress and the completion of set activities to the satisfaction of the School/ Discipline concerned. These activities will form part of a Structured Program of activities extending through the candidature.
- 9.3 Such activities will be determined by the Discipline through which the candidate is enrolled and in the first year will include the completion and presentation of one research proposal and other programs and skills training deemed necessary by the Discipline.
- 9.4 The research proposal will be agreed and submitted to the Adelaide Graduate Centre preferably within three, but no later than six months from the commencement of candidature.
- 9.5 A major review of progress after twelve months will recommend confirmation of candidature, termination, or the extension of provisional status. In the case of extension, a further review after a clearly defined period, normally three but not in excess of six months, would form the basis for confirmation or termination or change to a Masters enrolment.

Remote candidature

- 10.1 Enrolment as a remote candidate may be permitted on the conditions that the Department concerned can ensure, and the Board of Research Education and Development is satisfied, that appropriate external supervision, with appropriate affiliation, and facilities are available.

Review of academic progress

- 11.1 The Board may review the progress of a candidate at any time during the program of candidature and, if the candidate's progress is unsatisfactory, may terminate the candidature.
- 11.2 A formal review of a candidate's progress shall be conducted by the Discipline at least once a year in accordance with guidelines determined by the Board of Research Education and Development and outlined in the Code of Practice for Maintaining and Monitoring Academic Quality and Standards in Higher Degrees.
- 11.3 The first formal review and confirmation of candidature will occur twelve months after enrolment (see 9.2 above). Subsequent reviews will occur around October each year with written reports forwarded to the Dean of Graduate Studies. A candidate's re-enrolment in the following year is conditional upon satisfactory progress in the year of the review.

Absence from the university

- 12 Except for remote candidates, the Board, on the recommendation of the Department concerned, may permit a candidate to pursue away from the University work connected with the research for the degree. Such a permission may only be granted under special circumstances during provisional candidature.

Leave of absence

- 13 A candidate whose work is interrupted for a period of time may be granted a leave of absence by the Board of up to 12 months. If such an application is approved the minimum and maximum periods specified in Rule 7 will be adjusted accordingly by adding the length of the leave of absence.

Extension of candidature

- 14 A candidate may be granted by the Board one extension of candidature only of twelve months beyond the maximum period specified in Rule 7. If the portfolio has not been submitted by the end of the extended period the candidature will lapse.

Completion of portfolio outside the university

- 15 Except for candidates admitted under Rule 6, a candidate who has completed the equivalent of two years of full-time work under the control of the University, who has completed the experimental work (where appropriate) and whose progress is sufficiently well advanced to permit the satisfactory completion of the portfolio outside the University, may be granted permission by the Board to complete the writing-up of the portfolio outside the

University. If such a permission is granted the candidate will be allowed either twelve months or until the end of candidature, whichever is the lesser, to submit the portfolio. If the portfolio has not been submitted by the end of the writing-up period the candidature will lapse.

Lapsed candidature

- 16.1 A candidature which has lapsed will be resumed if the completed portfolio, which has not departed from the field of study which was being pursued before the candidature lapsed, is subsequently submitted to the Manager, Graduate Administration and Scholarships. The portfolio will only be accepted if the Department certifies that it is satisfactory to that Department.
- 16.2 Approval of the Board is required for the resumption of a lapsed candidature under any other conditions.
- 16.3 In special circumstances the Board may approve the resumption of a lapsed candidature for one period of up to six months (whether full- or half-time) prior to the submission of the completed portfolio.

Intention to submit portfolio

- 17 A candidate shall notify the Manager, Graduate Administration and Scholarships, in writing, approximately three months before he or she expects to submit the portfolio required under Rule 18. A summary of the portfolio, together with the proposed portfolio title, shall be submitted at the same time.

Submission of portfolio

- 18.1 On completion of the approved program of study and research a candidate shall submit a portfolio embodying the results of studies and research, and may submit also, in support of the portfolio, other relevant material.

- 18.3 The portfolio shall be assessed by examiners external to the University.
- 18.4 No portfolio presented for any other degree within this or any other institution shall be so submitted.
- 18.5 The Board shall prescribe the form in which the portfolio shall be submitted and the number of copies to be submitted.

Appointment of examiners

- 19.1 Candidates shall have the right to submit objections to the appointment of potential examiners. Any such objections should be submitted to the Manager, Graduate Administration and Scholarships, at the same time as the notification of intention to submit required under Rule 19. Such objections do not serve as a veto.
- 19.2 The Board shall appoint two examiners who are external to the University, taking account of any objections raised under Rule 19.1 and the recommendations of the head of the relevant Discipline.
- 19.3 The examiners shall be requested to report in such form as the Board will determine and to recommend one of the alternatives listed in Rule 20.
- 19.4 After consideration of the reports of the examiners, the Board may appoint a third external examiner and/or an external arbitrator.

Examination results

- 20 After consideration of the reports of the examiners and such other information as it thinks fit, the Board shall determine that:
- (a) the candidate be awarded the degree *or*
 - (b) the candidate be awarded the degree but that minor amendments be made to the portfolio *or*
 - (c) the candidate be awarded the degree subject to the specified amendments being made to the portfolio *or*
 - (d) the candidate be not awarded the degree but be permitted to re-submit the portfolio in a revised form *or*

Loan or photocopy of portfolio

- 22 A candidate who does not wish to allow the portfolio to be lent or photocopied when it is deposited in the Library under Rule 21 shall make a written application to the Manager, Graduate Administration and Scholarships, at the same time as he or she notifies his or her intention to submit under Rule 17. The withholding of such permission and the period of time involved shall be determined by the Board.

General

- 23 When, in the opinion of the Board of Research Education and Development, special circumstances exist, the Board, on the recommendation of the relevant Department in each case, may vary any of the provisions in Rules 1-22 above.
