Work for the degree

- 8.1 A candidate shall pursue an approved program of study and research under the control of the University and under the general guidance of supervisors appointed by the University leading to the generation of a thesis. At least one supervisor shall be a member of the academic staff of the School/Discipline of the University in which the candidate is enrolled.
- 8.2 The thesis shall:
- (a) display original and critical thought
 - (b) be a significant contribution to knowledge

 - (d) be clearly, accurately and cogently written and be suitably illustrated and documented.
- 8.3 The thesis may comprise a conventional written narrative presented as typescript (see University Calendar Specifications for Thesis), a single major publication such as a book or a portfolio of publications that have been accepted following peer review (see Rule 8.4) or creative or visual work(s) (see Rules 8.5 and 19.3-19.5).

- 8.4 In the case of a thesis that comprises a single publication or portfolio of publications, publication(s) must not have been accepted for any other university award.
- (i) The thesis shall also contain: a contextual statement that normally includes the aims underpinning the publication(s); a literature review or commentary that establishes the field of knowledge and provides a link between publications; and a conclusion showing the overall significance of the work and contribution to knowledge.
 - (ii) A portfolio of publications submitted as a PhD thesis must be closely related in terms of subject matter and form a cohesive research narrative.

The length of a major publication and the number and length of scholarly works included in a portfolio of publications shall be determined by Faculties in consultation with specific Discipline areas. Where the publication(s) are deemed to constitute a body of work worthy of the award, the candidate may include additional material submitted for publication.

- (i) The creative work may be in the form of exhibition, music composition or performance, literary work, film or other format approved by the Research Education and Development Committee.
 - (ii) The creative work should provide a coherent demonstration that the candidate has reached an appropriate standard in the research and has made a significant and original contribution to knowledge in the area. The creative work should be the research outcome, while the exegesis that accompanies it should describe the research process and elaborate, elucidate and place in context the artistic practice undertaken.
- 8.6 the candidate shall present the context and importance of the research at a School/Discipline seminar.

Required program of activities at the commencement of candidature

- 9.1 Each candidate (including those on remote candidature) will be enrolled on a provisional basis for the first twelve months of the degree.
- 9.2 Continuation of enrolment at the end of this period will depend on overall academic progress and the completion of set activities to the satisfaction of the School/ Discipline concerned. These activities will form part of a Structured Program of activities extending through the candidature.
- 9.3 Such activities will be determined by the School/Discipline through which the candidate is enrolled and in the first year will include the completion and presentation of the research proposal and other programs and skills training deemed necessary by the School/Discipline. In the case of international students, completion of the Integrated Bridging Program is also required, except in those cases where an exemption has been granted.
- 9.4 The research proposal will be agreed and submitted to the Adelaide Graduate Centre preferably within three, but no later than six months from the commencement of candidature.
- 9.5 A major review of progress after twelve months will recommend confirmation of candidature, termination, or the extension of provisional status. In the case of extension, a further review after a clearly defined period, normally three but not in excess of six months would form the basis for confirmation or termination or change to a Masters enrolment.
- 9.6 A candidate who has completed the first year of a Master's program by research and who is qualified and permitted by the Committee to transfer to the degree of Doctor of Philosophy will be deemed to have completed the Core Component of the Structured Program of activities and the transfer will confirm candidature in the PhD.

Remote candidature

- 10.1 Initial enrolment as a remote candidate may be permitted on academic grounds where the School/Discipline concerned can ensure the provision of external supervision, facilities and affiliation to the satisfaction of the Research Education and Development Committee.
- 10.2 Unless otherwise exempted, a remote candidate will be required to complete a period of residence in the University of Adelaide as determined by the Research Education and Development Committee in consultation with the School/Discipline concerned.
- 10.3 Notwithstanding Rule 10.2, a remote candidate will normally be required to undertake their candidature in an

internal attendance mode until such time as the Core Component of the Structured Program has been completed.

- 10.4 In accordance with Rule 7, a remote candidate may proceed to the degree either by full-time or half-time study.
- 10.5 On the recommendation of the School/Discipline, the Committee at any time may permit an enrolled student to enrol as a remote candidate subject to the conditions specified in 10.1, 10.2, 10.3 and 10.4 above.
- 10.6 A remote candidate may be permitted to convert to an internal mode of attendance at any time and shall be subject to the conditions normally applied.
- 10.7 Notwithstanding Rules 10.1 to 10.5 above, remote candidates are also required to abide by the other Rules and guidelines for the Degree of Doctor of Philosophy.

Joint candidature

- 11.1 Enrolment as a joint candidate may be permitted where a program of cooperation has been formally agreed between the University of Adelaide and another institution for jointly awarded degrees.
- 11.2 When it is proposed that the candidate spend the majority of candidature away from Adelaide, the Research Education and Development Committee must approve conditions as in 11.1.
- 11.3 Upon successful completion of the work for the degree, the badges of both institutions may appear on the parchment awarded.

Review of academic progress

- 12.1 The Committee may review the progress of a candidate at any time during the program of candidature and, if the candidate's progress is unsatisfactory, may terminate the candidature.
- 12.2 A formal review of a candidate's progress shall be conducted by the School/Discipline at least once a year in accordance with guidelines determined by the Research Education and Development Committee and outlined in the *Code of Practice for Maintaining and Monitoring Academic Quality and Standards in Higher Degrees*.
- 12.3 A formal review of progress and confirmation of candidature will occur twelve months after enrolment (see 9.2 above). Additional reviews will occur around October each year with written reports forwarded to the Dean of Graduate Studies. A candidate's re-enrolment in the following year is conditional upon satisfactory progress in the year of the review.

Absence from the university

- 13 Except for remote candidates the Committee, on the recommendation of the School/Discipline concerned, may permit a candidate to pursue away from the University work connected with the research for the degree. Such permission may only be granted under special circumstances during provisional candidature.

Leave of absence

- 14 A candidate whose work is interrupted for a period of time may be granted a leave of absence by the Committee of up to 12 months. If such an application is approved the minimum and maximum periods specified in Rule 7 will be adjusted accordingly by adding the length of the leave of absence.
- 15 A candidate granted leave of absence will formally inform the Adelaide Graduate Centre of resumption of candidature within fourteen days of the approved rate of return, or else, the Research Education and Development Committee may terminate candidature.
- 16 A candidate seeking to extend a period of leave of absence granted will formally apply for an extension of leave at least one week prior to the originally approved date of return.

Extension of candidature

- 17 A candidate may be granted by the Committee one extension of candidature only of twelve months beyond the maximum period specified in Rule 7. If the thesis has not been submitted by the end of the extended period the candidature will lapse.

Completion of thesis outside the university

- 18 A candidate who has completed the equivalent of two years of full-time work under the control of the University, who has completed the experimental work (where appropriate) and whose progress is sufficiently well advanced to permit the satisfactory completion of the thesis outside the University, may be granted permission by the Committee to complete the writing-up of the thesis outside the University. If such permission is granted the candidate will be allowed either twelve months or until the end of candidature, whichever is the lesser, to submit the thesis. If the thesis has not been submitted by the end of the writing-up period the candidature will lapse.

Lapsed candidature

- 19.1 A candidature, which has lapsed, will be resumed if the completed thesis, which has not departed from the field of study that was being pursued before the candidature lapsed, is subsequently submitted to the Manager, Graduate Administration and Scholarships. The thesis will only be accepted for examination if the School/Discipline certifies that it is satisfactory to that School/Discipline.
- 19.2 Approval of the Committee is required for the resumption of a lapsed candidature under any other conditions.
- 19.3 In special circumstances the Committee may approve the resumption of a lapsed candidature for one period of up to six months (whether full- or half-time) prior to the submission of the completed thesis.

Intention to submit thesis

- 20 A candidate shall notify the Manager, Graduate Administration and Scholarships, in writing, approximately three months before he or she expects to submit the thesis required under Rule 21. A summary of the thesis, together with the proposed thesis title, shall be submitted at the same time.

Submission and examination of the thesis

- 21.1 On completion of the approved program of study and research a candidate shall submit a thesis embodying the results of that study and research, and may submit also, in support of the thesis, other relevant material.
- 21.2 The thesis may comprise a portfolio of scholarly works published during candidature. The format shall be in accordance with Rules 8.4 (i) to 8.4 (vi).
- 21.3 In the case of a doctoral thesis submitted in the areas of musical, artistic or visual practice, presentation may be in one of three forms, a) by a theoretical thesis or b) by one or more creative works and an exegesis or c) a series of music performance recordings and an exegesis.
- 21.4 In the case of a doctoral thesis submitted in the areas of musical, artistic or visual practice, the creative work and the exegesis will not be examined separately but as an integrated whole constituting the original and substantial contribution to knowledge required from doctoral candidates.
- 21.5 In the case of visual arts, the examiners will attend the exhibition at which time they will be given a copy of the exegesis in temporary binding. A final copy of the exegesis will be provided to the examiners within three months of their viewing the creative work.
- 21.6 The thesis and any other material submitted shall be assessed by examiners external to the University.

- 21.7 No thesis, material or publications presented for any other degree within this or any other institution shall be so submitted.
- 21.8 The Committee shall prescribe the form in which the thesis shall be submitted and the number of copies to be submitted.

Appointment of examiners

- 22.1 Candidates shall have the right to submit objections to the appointment of potential examiners. Any such objections should be submitted to the Manager, Graduate Administration and Scholarships, at the same time as the notification of intention to submit required under Rule 20. Such objections do not serve as a veto.
- 22.2 The Committee shall appoint two examiners who are external to the University, taking account of any objections raised under Rule 22.1 and the recommendations of the head of the relevant School/Discipline.
- 22.3 The examiners shall be requested to report in such form as the Committee will determine and to recommend one of the alternatives listed in Rule 23.
- 22.4 After consideration of the reports of the examiners, the Committee may appoint a third external examiner and/or an external arbitrator.

Examination results

- 23 After consideration of the reports of the examiners and such other information as it thinks fit, the Committee shall determine that:
- (a) the candidate be awarded the degree *or*
 - (b) the candidate be awarded the degree but that minor amendments be made to the thesis *or*
 - (c) the candidate be awarded the degree subject to the specified amendments being made to the thesis *or*
 - (d) the candidate be not awarded the degree but be permitted to re-submit the thesis in a revised form *or*
 - (e) the candidate be awarded the appropriate degree of Master *or*
 - (f) the candidate be awarded the appropriate degree of Master upon making suitable amendments to the thesis *or*
 - (g) the candidate be not awarded the degree of Doctor of Philosophy or the degree of Master *or*
 - (h) for candidates who submitted in publication format, any amendments under 23(b), (c) or (d) shall be confined to the contextual statements referred to in Rule 8.4(i).
- 24 In the case of a thesis presented for re-examination as provided for in Rule 23(d), the thesis will, as far as possible, be assessed by the original examiners.

- 25 A thesis presented for re-examination will not be submitted for further re-examination.

Deposit of thesis in the library

- 26 Such number of copies of a thesis and any other material on which the degree is awarded shall be deposited in the Barr Smith Library or elsewhere in the University as determined by the Committee. Unless otherwise determined by the Committee, the copies shall be available for loan and photocopy.

Loan or photocopy of thesis

- 27 A candidate who does not wish to allow the thesis to be lent or photocopied when it is deposited in the Library under Rule 26 shall make a written application to the Manager, Graduate Administration and Scholarships, at the same time as he or she notifies his or her intention to submit under Rule 20. The withholding of such permission and the period of time involved shall be determined by the Committee.

General

- 28 When, in the opinion of the Research Education and Development Committee, special circumstances exist, the Committee, on the recommendation of the relevant School/Discipline in each case, may vary any of the provisions in Rules 1-27 above.
