

2012 International Fulbright Science & Technology Award

Valued up to US\$300,000

The United States Government's most prestigious scholarship for promising graduate students to undertake a full PhD in the United States starting anytime between 1 July 2012 and the 30 June 2013.

Benefits include:

- Return airfare between Australia and the U.S.
- Tuition and fee coverage
- Stipend for 3 years
- Allowances for books and equipment, research and professional conferences
- Basic health and accident insurance
- GRE test vouchers
- Support and enrichment seminars run by the Institute of International Education (IIE) throughout your stay in the U.S.

A full list of the eligible fields of study is available on our website.
