

Winning Fellowship Applications Workshop

Tuesday 7 November 2006

3pm-5pm, Numico Room
Level 5 Medical School South
Followed by drinks and nibbles

This workshop is designed to inform PhD students and early to mid career researchers about opportunities for ARC and NHMRC research fellowships. Short presentations from Professor Alan Johnson (ARC) and Associate Professor Sarah Robertson (NHMRC), followed by a panel discussion with current fellowship holders and representatives from Research Branch, will highlight strategies towards successful fellowship applications.
