

UniSuper

Dear UniSuper member,

Important information regarding your superannuation

We understand that you are moving on – perhaps to a new job or possibly even retiring.

This letter and the accompanying booklet – *Super options when you leave your job* provide important information about your superannuation benefits, including what happens to them now and the range of options that are available to you.

Your super is one of your most important assets, so we'd urge you to please take the time to read the accompanying booklet carefully, to ensure that you make the decision that is right for you. Remember, no matter what your next step is, you can still remain a UniSuper member.

Make the right choice

When it comes to making your decisions, it's important to know where you stand. With so many different super funds and pensions available, it's hard to know which is the right one for you. And since your choice could have a big impact on your future, it's important for you to know you're making the right decision.

If you want to know how UniSuper measures up to other super funds or pension providers simply log-in to the secure section of our website – MemberOnline and visit the calculators area to request an independent Chant West AppleCheck report.

Providing a thoroughly objective analysis your AppleCheck report will show an assessment for each fund you're considering, including:

- a product overview
- a case study showing total fees and costs
- an investment snapshot
- a Chant West Apple rating.

Finally we'd like to thank you for your UniSuper membership to date, we hope that we can continue to help you achieve your retirement dreams in the future. If however, you have any queries in relation to your decision please do not hesitate to contact our Toll Free Helpline on 1800 331 685.

Yours sincerely
