

Outstanding careers at The University of Adelaide

School Manager

School of Veterinary Science (Ref: 7662)

The University of Adelaide has established South Australia's first veterinary school at its Roseworthy Campus, which lies to the north of Adelaide city. The School had its first intake of students in 2008. We are now seeking a School Manager to support the Head of School in a range of operational matters including financial planning and management, team leadership, corporate relations and IT services and space management. Tertiary qualifications or substantial relevant experience in management are essential.

Continuing position available from 1 January 2009.

Salary: (HEO8) \$69,597 – \$78,298 per annum.
Plus an employer superannuation contribution of 17% applies.

Closing date 22/09/08
