

Outstanding careers at The University of Adelaide

Lecturer in Inorganic Chemistry

School of Chemistry & Physics (Ref: 2526)

We are seeking to appoint a high calibre and dynamic chemist with expertise in any field of Inorganic Chemistry. Preference may be given to candidates whose research interests strengthen the identified research groupings within Chemistry, i.e. Energy & Environment, Functional Materials, Medicinal & Biological Chemistry, Molecular Photoscience & Ion Chemistry. You will have a strong commitment to excellence in teaching and research, be expected to develop an active research group and contribute to the undergraduate teaching and administrative responsibilities of the Chemistry discipline.

Continuing position available immediately.

Salary: (Level B) \$70,075 – \$83,215 per annum, plus an employer superannuation contribution of 17% applies.

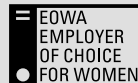

Closing date: 8/10/08
