

Superannuation administration made simple!

INTERNSHIP OPPORTUNITY 2007

'Building the foundations to your future'

SuperGuardian is an innovative, market leading Chartered Accountancy firm with a specialisation in the provision of services to self managed super funds (SMSFs) around Australia.

In Australia, SMSFs make up approximately 25% of the total superannuation pool of assets. Since 1994, the SMSF industry has grown at a compound rate of 25% each year with approximately 2,000 new SMSFs set up every month. Superannuation is an area that has and will continue to experience rapid and significant growth, providing excellent long term career opportunities.

SuperGuardian offers a unique opportunity for a student to undertake an internship where you will work with highly skilled and motivated people during your university vacation period and gain exposure to the SMSF industry.

Nature of Internship

The internship is available to students of the University of Adelaide who are completing their second year of full-time studies in 2006. The internship is during the vacation period before you commence your third year and is available to students who are permanent residents of Australia or Australian citizens.

The internship offers:

- **Employment with SuperGuardian between December 2006 and January 2007 (hours to be negotiated);**
- Hands on, intensive training in all aspects of SMSF accounting;
- Exposure to a broad range of financial markets: listed and unlisted investments; dividends and distributions; warrants; corporate actions; managed funds and wrap accounts;
- Experience in a dynamic, skilled working environment;
- Potential to participate in the annual SuperGuardian Cadetship/Scholarship on completion of studies.

This may be the foundation for a long and prosperous career in superannuation.
