### Professional Certificate in Self Managed Superannuation Program Specific Rules

#### 1. Admission Requirements

- 1.1 An applicant for admission to the academic program for the Professional Certificate in Self Managed Superannuation shall have qualified for a degree of the University of Adelaide, or a degree of another institution accepted by the Faculty for the purpose as equivalent;
- 1.2 The Faculty may, subject to such conditions as it may see fit to impose in each case, accept as a candidate for the Professional Certificate a person who does not satisfy the requirements of Rule 1.1 above but who has presented evidence satisfactory to the Faculty of Professions of extensive relevant industry experience.

#### 2. Duration of Program

To qualify for the Professional Certificate, a candidate shall satisfactorily complete a program of study comprising two course modules. The maximum time permitted for completion of the program is two years.

#### 3. Qualification Requirements

- 3.1 To qualify for the Professional Certificate in Self Managed Superannuation, a candidate shall satisfactorily complete courses to the value of 6 units:

Self Managed Super I – Establishment and Accumulation	3
Self Managed Super II – Distribution and Estate Planning	3

#### 4. Advanced Standing, Exemptions with Replacements and Articulation

- 4.1 No candidate shall be granted status for any course.

#### 5. Assessment and examinations

- 5.1 There shall be four classifications of pass in any course for the Professional Certificate: Pass with High Distinction, Pass with Distinction, Pass with Credit and Pass.
- 5.2 (a) A candidate shall not be eligible to attend for examination unless the prescribed work has been completed to the satisfaction of the teaching staff concerned.  
(b) For the purpose of this Rule, a candidate who is refused permission to sit for examination shall be deemed to have failed the examination.

- 5.3 A candidate who fails a course and wishes to repeat that course shall, unless exempted partially therefrom by the program co-ordinator or nominee, again complete the required work in the course to the satisfaction of the teaching staff concerned.
- 5.4 A candidate who has failed a course twice may not re-enrol in that course except by special permission of the Faculty and then only under such conditions as may be prescribed.
