

ATEM Central Region

Professional Development Program

2009

This year's program of professional development events targets the needs of today's Higher Education managers. Sessions cover a broad range of issues from the Bradley Review, to wikis and blogs, student retention and career development for the HE managers of the future. Make the most of these ATEM opportunities in 2009.

Professional Development Courses: 25% discount to ATEM members!

The University of Adelaide's Centre for Professional and Continuing Education (PCE) offers a range of short courses to further your professional and personal development. Skilled and professional presenters have extensive experience in their subject areas and all courses have an emphasis on practical, relevant and effective skills and knowledge advancement.

For information and course outlines visit www.adelaide.edu.au/pce or call **8303 4777**.

To take advantage of the discount, reduce the course fee by 25% and include "ATEM Member" on your enrolment form.

Universities Australia believes that managers in higher education need to constantly improve and update their skills and knowledge.

The Committee supports the work of ATEM in providing professional development opportunities for tertiary education managers through the professional development programs run by all ATEM regions.
