

In conjunction with SA History Week,
the University of Adelaide presents a free workshop

Thanks for the Memories: Preserving your family treasures

10.00am–12.00pm
Monday 25 May 2009

Ira Raymond Room
Barr Smith Library
The University of Adelaide

No one likes to think about disasters, whether natural or man made, but thinking ahead and preparing, together with knowledge about first steps, can save your family treasures for future generations.

In this workshop, University Archives and Art & Heritage Collections staff will provide general advice on techniques for protecting records, photographs, artworks and other objects from the ravages of time and the threat of loss through an unforeseen disaster.

There is no cost for this event. Tea and coffee will be provided.

Reserve your place by replying to Sue Coppin by 22 May.
