

Why can't I see Saturday and Sunday in my Agenda?

The **Display** tab of the **Agenda** section of the **Options** dialog box lets you customize your Agenda display.

1. Select **Tools | Options ...** to display the Options dialog box.
2. Click on the **+** to the left of **Agenda** and if necessary click **Display**
3. Select the "Show Saturday" and/or "Show Sunday" checkboxes to display them in your Agenda
