

Bray
TRINITY COLLEGE,
CAMBRIDGE.

December 1st 1885

Dear Sir

I wish to enter
myself as a candidate
for the Professorship of
Mathematics and Experimental
Physics at the University
of Adelaide.

I was Third Wrangler
in 1884, and obtained

a First Class in Part
III of the Mathematical
Tripos 1885.

It was not until this
morning that I saw the
notice as to the vacant post
in the Cambridge Reporter.
I have been therefore somewhat
hurried in making my
application. I have obtained
one testimonial, from

Mr. Glazebrook, which I
enclose: and I trust it will
be allowed me to forward
others, which have been
promised me, tomorrow
or the day after.

Believe me

yours very sincerely

W. H. Bragg.
