

## School of Molecular and Biomedical Science

Nomination for: (tick one or both boxes)

- Postgraduate Academic Achievement Award
- Postgraduate All-Round Achievement Award

---

Please supply/enter electronically all the information required below (as applicable) on this form, print it out and then have it certified by your principal supervisor. The form should be submitted to Mrs. Jennifer Peters, Academic Programs Officer, School of Molecular and Biomedical Science.

Electronic submission is preferred (i.e. scan the signed form and send as a .pdf file to: [jennifer.peters@adelaide.edu.au](mailto:jennifer.peters@adelaide.edu.au)), or FAX +61 8 83034362.

The closing time/date for submission is 5PM on Monday 17 October.

**Name:**

**Principal supervisor:**

**Discipline:**

**Postgraduate Candidature:** Please describe your candidature start date, thesis submission date (where applicable), the date that you qualified for the Ph.D. degree (for the Postgraduate Academic Achievement Award), any periods of leave/intermission during your candidature and the total length of your candidature (from candidature start to thesis submission not including periods of leave/intermission). There is no need to provide examiners' reports as we will obtain these separately.

**Publications:** Please list publications arising from your Ph.D. or M.Sc. research under the headings below. For each publication, please give authors, title, journal or conference etc., journal impact factor (where applicable), and describe in a short note the contribution that you and each other author made to the publication. Please be specific about your contribution during your candidature (if some part of the work you contributed occurred outside your period of candidature) and the significance of the publication to your field of research. Please also estimate your contribution to each paper during your candidature as a % of the total work required in its production. All publications must have been written / presented /submitted during your candidature (except for research publications in peer-reviewed journals that have arisen from the research conducted during your candidature).

- Book Chapters

- Peer-reviewed research papers
- Peer-reviewed literature review papers
- Non-peer reviewed publications in journals
- Conference papers
- Conference oral presentation abstracts
- Conference poster abstracts
- Other (e.g. patents etc., please specify)

**Honours and awards obtained during candidature:** For example, prizes for presentation at meetings, awards from scientific societies, competitive travel grants etc. Please list these with any short explanatory comments that you wish.

**Service to the University, scientific and general community:** Factors considered include service as a postgraduate student representative, School or University committee membership, contribution to school teaching programs, service for PGSA, scientific societies (e.g., ASMR), conference organising, community involvement, school visits, etc. For each activity that you list, please describe your contribution to the activity and estimate the number of hours that your involvement required. Only include service performed during your candidature.

**Certification by principal supervisor:**

I, \_\_\_\_\_, certify that, to the best of my knowledge, the information supplied on this form is correct.

Signature: \_\_\_\_\_, Date: \_\_\_\_\_

**Declaration by applicant:**

I declare that the information supplied on this form is correct.

Signature: \_\_\_\_\_, Date: \_\_\_\_\_
