

MEMBERSHIP APPLICATION

Please review the Centre's membership policy prior to completing your membership application.

1. Application, Review and Termination Processes

All applicants must complete the application form and provide any supporting documentation requested.

Decisions about membership will be made by the Centre's management group. Membership shall not be unreasonably withheld where all of the criteria have been met. Where membership is refused, the reasons for refusal will be communicated to the applicant.

Membership may be maintained indefinitely as long as the criteria continue to be met. The Management Group may review membership on a periodic basis (ie every two years) and may require members to renew their membership. Members who no longer meet the criteria may be asked to relinquish their membership. Such decisions will be made in consultation with the member.

A member may resign at any time, but must communicate this decision in writing to the Centre Director.

Membership Application Form

To apply for membership, please complete details below and provide documentation required for membership category of interest. Send to: Ms Anne Hayes, School of Medicine, Level 6 Eleanor Harrald Building, University of Adelaide, Adelaide SA 5005, or to anne.hayes@adelaide.edu.au
