

Taryn Elliott

Dr Taryn Elliott completed her Honours year in Psychology in 2000 and completed her PhD in 2007. She began working as an Education Research Officer at Adelaide to Outback GP Training Program (AOGP) in 2004. AOGP delivers training to doctors who wish to specialise in General Practice. In 2008 Taryn became an Education Team Co-ordinator: Quality Assurance and Research at AOGP
