Exchange Program

adelaide.edu.au/inbound-study-abroad/exchange

The Exchange program is for international students whose home university has a formal exchange partner agreement with the University of Adelaide.

The University of Adelaide offers studies in a wide range of disciplines, allowing you to find courses you need to complement your academic studies and enjoy a great lifestyle experience. Through participating in the Exchange program you can:

- > enrol for one or two semesters of study (February or July start)
- > gain credit from your home institution for undergraduate or postgraduate courses across several different disciplines
- > satisfy your degree requirements by taking elective or general education courses not available at your home university
- > improve your language skills and cultural understanding
- > develop your self-confidence and social skills
- > build strong global networks and make new friends
- > discover new knowledge and grow your international perspective.

For a list of exchange partners, visit our website.

Fees

Exchange students remain enrolled with their home institution and continue to pay tuition fees to their home institution. Tuition fees at the University of Adelaide are waived.

Whilst Exchange students do not incur tuition fees, they still have to pay for their living expenses and Overseas Student Health Cover (OSHC).

To see a breakdown of costs associated with Exchange, visit the Fees page of our website.
