

THE UNIVERSITY
of ADELAIDE

2012 PATHWAYS

from TAFE SA to the University of Adelaide

Gaining entry to university...

It's easier than you think.

TAFE SA
Certificate IV

University
Degree

Any Certificate IV from TAFE SA will be accepted as a basis for entry into most University of Adelaide programs, even if you did not complete Year 12. For example, you would be eligible for entry to the Bachelor of Commerce with any completed Certificate IV qualification.

Some programs have additional entry requirements such as interviews, auditions and prerequisites. To find out more about the entry requirements for the degree you have in mind, please check www.adelaide.edu.au/programs

Why choose Adelaide?

The University of Adelaide has expanded its credit transfer arrangements and entry pathways with TAFE SA to make it easier to gain entry to the university and obtain credit for previous study.

Adelaide is an innovative and forward-looking university and an Australian leader in research. A degree from the University of Adelaide can open up amazing career opportunities. The University's programs provide enormous flexibility and focus on developing skills that make our students highly employable.

Our reputation for academic excellence is well known. Teaching facilities feature the most modern lecture theatre technology, state of the art laboratories, worldwide database access and online teaching tools. Your lecturers will be leading researchers and practitioners in their field, giving you the opportunity to build networks with experts and like-minded students in your industry.

To help students succeed in their studies, we offer a range of on-campus support services, including academic guidance, study skills workshops, personal counselling, disability access and support, a medical centre, accommodation office, and careers service.

- 1 North Terrace Campus
- 2 Mathematical sciences lab, North Terrace Campus
- 3 Vet Health Centre, Roseworthy Campus

What's Your Dream Job?

WANT TO BE A MECHANICAL ENGINEER?

Gain entry to our Bachelor of Engineering (Mechanical) through an Advanced Diploma in Mechanical Engineering (Design)*.

	Bachelor of International Studies	18

SARAH | BACHELOR OF ORAL HEALTH

Sarah commenced her Bachelor of Oral Health with a head start!

“Prior to beginning this course I worked for two years as a dental assistant in a private practice which involved study at TAFE. I completed a Certificate IV in Dental Assisting: Dental Radiography at Gilles Plains TAFE. The main reason I decided to continue study after TAFE was to broaden my career prospects and to widen my scope of practice in dentistry. It was a dramatic lifestyle change, but I have thoroughly enjoyed my time at uni!”

DID YOU KNOW?

Students who complete an Advanced Diploma in Oral Health will be able to receive up to 34 units of credit, reducing the time it takes to complete their degree by over one year.
