**NEWS & INFORMATION**

<b>2009 Higher Education Research Data Collection of 2008 Data</b>	<b>Internal Date</b>
<p>Each year, Research Branch receives over three thousand publications from schools and disciplines for the DEEWR Higher Education Research Data Collection (HERDC).</p> <p>Publications attract significant Commonwealth funding for the University. Each publication must be assessed to ensure that it meets the DEEWR HERDC Guidelines. In order to determine the eligibility of every submission, we need to collect publications on an ongoing basis.</p>	<b>31 March 2009</b>

<p>Our internal close off date for the 2009 collection of 2008 HERDC publications is 31st March 2009.</p> <p>We therefore encourage researchers to forward their 2008 publications to the HERDC publications coordinators in their school or discipline as early as possible.</p> <p>If you are unsure of the coordinator in your area or have any other queries regarding the HERDC, please contact Sue Delaine (33340), Donna Holloway (33789) or Julie Blake (34992), in the Research Branch.</p>
