The Australian-American Fulbright Commission - Fulbright Symposium	Internal Deadline
<p>The Australian-American Fulbright Commission will celebrate the 60th anniversary of its programs for educational and cultural exchange between Australia and the United States in 2010, and will offer a grant of \$30,000 to an organisation selected to host the special Fulbright 60th Anniversary Symposium.</p> <p>The Fulbright Symposium is to be held between 1st March and 30th September 2010 and will be identified as the Fulbright 60th Anniversary Symposium in all publicity. The grant is a contribution towards the cost of organising the Symposium and may be applied to any cost elements at the discretion of the organisers.</p> <p>For further information and application instructions, please visit: http://www.fulbright.com.au/events-and-media/2010FulbrightSymposium.html</p>	<p>24 July 2009</p>

The Group of Eight - Germany Joint Research Co-operation Scheme	Internal Deadline
<p>The Germany Joint Research Co-operation Scheme aims to:</p> <ul style="list-style-type: none"> • foster research collaboration of the highest quality between Australian researchers from Go8 universities 	<p>30 June 2009</p>

- and German researchers.
- result in research outcomes and the exchange of skills and knowledge of mutual benefit to Australia and Germany.

The Go8 and the DAAD will each provide around 160,000 euros (AUD250,000) in 2010 and 2011 to support projects successful in the 2009 selection round. The German researchers must apply through DAAD and the Australian researchers apply through the Go8. Exchange participants must either be employed as academic staff members in a teaching and research or research only role at a Go8 university, or a PhD student involved in the research project submitted by an eligible staff member.

NHMRC Program Grants	Internal Deadline
<p>The aim of the Program Grants scheme is to provide support for teams of high calibre researchers to pursue broad based, multi-disciplinary and collaborative research activities. Teams will be expected to contribute to new knowledge at a leading international level in important areas of health and medical research. The scheme is available for all research approaches relevant to better health (ie biomedical, clinical, public health or health services research) and is typically for 5 years.</p> <p>For further information and application instructions, please visit: http://www.nhmrc.gov.au/grants/apply/programs/index.htm</p>	<p>17 June 2009</p>

NHMRC - International Collaborative Indigenous Health Research Partnership (ICIHRP) Grants	Internal Deadline
<p>The RFA will seek joint proposals from multi-disciplinary, multi-sectoral research teams bringing together Australian, New Zealander and Canadian researchers. The NHMRC, NZ HRC and the CIHR have each committed \$5 million in their respective currencies to the 2009 Request for Applications</p>	<p>4 May 2009 (EoI)</p>

(RFA). This RFA is focussed on reducing the burden of disease and inequalities in health caused by chronic disease in Indigenous people. \$15 million is available to fund two type of grants:

- Proposal Development Grant and
- ICIHRP Grants

The RFA will seek joint proposals from multi-disciplinary, multi-sectoral research teams bringing together Australian, New Zealander and Canadian researchers.

Note: Registration of Interest (RoI) must be submitted to the NZ HRC by 5pm, 11 April 2009 (NZ time). The Expression of Interest (EoI) must be **submitted to the Research Branch by 4 May 2009.**

GRANTS - INTERNATIONAL

The Wenner - Gren Foundation: International Collaborative Research Grants	Internal Deadline
<p>The International Collaborative Research Grant (ICRG) supports international research collaborations between two or more qualified scholars, where the principal investigators bring different and complementary perspectives, knowledge, and/or skills to the project.</p> <p>Priority will be given to those applications that make a strong case for a balanced collaboration between the applicant and co-applicant/s in all aspects of the research: fieldwork, analysis,</p>	See Body

and eventual publication. By encouraging international collaborations, the grant contributes to the development of an international anthropology that values and incorporates different national perspectives and resources. By providing training funds, the grant helps to build capacity in countries where anthropology may be under-resourced. Each researcher must hold a doctorate or equivalent qualification in anthropology or a related discipline.

The grants are for a maximum of **US\$30,000** for the research project.

Internal deadline for **Round 1** is **25 May 2009** for projects starting in January through June of the following year.

Internal deadline for **Round 2** is **24 November 2009** for projects starting in July through December of the following year.
