

DO YOU USE, OR DO YOU PLAN TO USE GENETICALLY MODIFIED ORGANISMS?

If so, you are urged to attend a session to be conducted by officers of the Office of the Gene Technology Regulator (OGTR) at

FLINDERS MEDICAL CENTRE
Level 5, Lecture Theatre 2
Tuesday 13th March 2007
2pm – 4pm (Tea and coffee provided)

The purpose of the session is to provide information on changes to the Gene Technology Regulations*, which will come into force on March 31st, 2007.

WHO SHOULD ATTEND?

- **All** senior investigators and supervisors of laboratories in which genetically modified organisms or materials are currently handled, or who intend to work with them in the near future.
- **All** principal investigators of projects holding current Biosafety Committee approvals for dealings involving GMO's.
- **All** staff of the university and hospital involved in administrative aspects of the use of GMO's and/or genetically modified materials.

Staff who are unable to attend should send an appropriate proxy.

*A full transcript of the amended Regulations can be found at:
