New FP7 calls for 2008

**Internal
Deadline**

<http://www.feast.org/fp7>/<http://www.feast.org/fp7/>

The European Commission (EC) has recently opened a large number of FP7 calls for the 2008 work programme. These calls include the following areas:

- ERC Advanced Grant: Physical Sciences & Engineering, Social Sciences & Humanities, and Life Sciences
- Marie Curie: Co-funding of Regional, National and International Programmes
- Marie Curie: International Research Staff Exchange Scheme
- Aeronautics and Air Transport
- Energy
- Environment (including Climate Change)
- Euratom: Nuclear Fission and Radiation Protection
- FET Open
- Food, Agriculture and Fisheries, and Biotechnology
- Galileo
- ICT
- Nanosciences, Nanotechnologies, Materials and new Production Technologies
- Science in Society
- Transport

Further details about these calls can be found on the FEAST website (www.feast.org/fp7/?calls) or on the official FP7 pages (cordis.europa.eu/fp7/calls)

Heart Foundation Research Program Information Session.

Internal Deadline

For details refer the flyer [here](#)

13 Feb, 2008

Information Session is held on Wednesday, 13 February, 2008 at 4:00 pm

in G03, Napier Building.

ARC Discovery Projects for funding in 2009

Internal Deadline

The Research Branch has prepared a summary internal information sheet for the upcoming Australian Research Council (ARC) Discovery

Full review -
18 Feb, 2008

Projects

for funding in 2009 application round. It can be accessed at:
www.adelaide.edu.au/rb/arc/DiscProj.html under "Useful Information"

The information sheet contains quick links to related documents and forms, essential for application submission. However, intending applicants are reminded to be fully familiar with the ARC Funding Rules and ARC Instructions to Applicants .

Kind regards

ARC Team

arcgrants@adelaide.edu.au

NEW

Perpetual's Annual Funding Round

Internal Deadline

Perpetual manages more than 450 charitable trusts and as trustee, we distribute funds from around 80 of these as part of our annual funding round.

21 Feb, 2008

We are now accepting applications for our 2008 funding round, open from 1 October 2007 to 28 February 2008.

Funding supports a variety of causes and is generally in the range of \$10,000 to \$100,000 for a one-year period.

If your organisation is interested in applying for funding, please read the Funding & Eligibility guidelines carefully before submitting your online application.

Please note, the Clive and Vera Ramaciotti Foundations for biomedical research have separate guidelines and timeline.

Please visit the [Ramaciotti website](#) for further information.

The Asia Public Sector Linkages Program (PSLP)

Internal Deadline

The Asia Public Sector Linkages Program aims to improve public sector capacity for governance and management for nationally determined development outcomes in selected partner Asian countries.

21 Feb, 2008

PSLP offers departments and agencies of Australian federal, state and territory governments, as well as Australian public universities, the opportunity to compete for grant funding that will:

- transfer capacity building skills and expertise to their public sector counterpart institutions in partner countries
- support strengthening of sustainable development-focused public sector bilateral and regional linkages.

More information can be found here -

http://www.ausaid.gov.au/business/other_opps/pslp.cfm

International Science Linkages Competitive Grants

Internal Deadline

The International Science Linkages (ISL) program offers support through Competitive Grants for Australian researchers to participate in strategically focussed, leading edge, international scientific research and technology collaborations.

28 March,
2008

To be eligible to receive support for an international scientific research project, the Australian applicant must have a primary project partner from one of the specific countries and be in an eligible area of research for that country, as identified in the 2008 ISL Guidelines. *Competitive Grants* also offers support for major international scientific conferences held in Australia in one of the specific subject areas.

Applications will be accepted from Australian tertiary education institutions, Cooperative Research Centres, Australian registered business or industry groups, Australian public sector research agencies, or Australian private, not for profit, research organisations.

Funding under ISL *Competitive Grants* is made on a competitive basis against specific criteria. The next round will open on 11 February 2008 and close on 11 April 2008. Access to the online application form will be available on the ISL website www.dest.gov.au/science/isl/ from 11 February 2008.

Information and Guidelines are available on the ISL website or by contacting the Programme Management Unit, Science and Research Division, at DIISR by email: isl@dest.gov.au or by phone: (02) 6240 5465.

Internal closing date is 28 March 2008. Please forward copies of applications to Dr Don McMaster don.mcmaster@adelaide.edu.au at the Research branch or contact x33347 for further information.

2008 Riversymposium Young Water Scientist Award

**Internal
Deadline**

Opportunity for entry into the 2008 *Riversymposium* Young Water Scientist Award is now open to any young scientist currently undertaking postgraduate research on water through any recognized institution within Australia.

External Due
Date - 15
April, 2008

This award promotes excellence in the development of young scientists who are capable researchers, communicators and innovative thinkers.

Further Information can be found [here](#)

NHMRC

FELLOWSHIPS

NHMRC Career Development Awards

**Internal
Deadline**

1 Feb, 2008

Career Development Awards are available to researchers in the early stages of their careers. They aim to develop their capacity for original independent research; develop their research leadership skills; and help them to establish themselves as independent self-directed health and medical researchers in a research program or as part of a research team.

Further details can be found on the Research Branch webpage - <http://www.adelaide.edu.au/rb/nhmrc/careerdevt.html> or on the NHMRC website here - <http://www.nhmrc.gov.au/fellows/types/granttype/cda.htm>

The relevant Research Branch contacts are Vada Osborn - vada.osborn@adelaide.edu.au or # 35051 and Stacey Williams - stacey.williams@adelaide.edu.au or # 36329

NHMRC Practitioner Fellowships

**Internal
Deadline**

1 Feb, 2008

This is a part-time award intended to assist experienced and productive clinical and public health researchers who wish to maintain both a research and professional career.

Further details can be found on the Research Branch webpage - <http://www.adelaide.edu.au/rb/nhmrc/practitionerfells.html> or on the NHMRC website here - <http://www.nhmrc.gov.au/fellows/types/granttype/career.htm#5>

The relevant Research Branch contacts are Vada Osborn - vada.osborn@adelaide.edu.au or # 35051 and Stacey Williams - stacey.williams@adelaide.edu.au or # 36329

NHMRC Research Fellowships

**Internal
Deadline**

1 Feb, 2008

NHMRC Research Fellowships support full-time appointments, usually for 5 years, for high calibre researchers who have made, and are continuing to make, highly significant contributions to their research field.

Further details can be found on the Research Branch webpage - <http://www.adelaide.edu.au/rb/nhmrc/researchfells.html> or on the NHMRC website here - <http://www.nhmrc.gov.au/fellows/types/granttype/career.htm#3>

The relevant Research Branch contacts are Vada Osborn - vada.osborn@adelaide.edu.au or # 35051 and Stacey Williams - stacey.williams@adelaide.edu.au or # 36329

GRANTS

Now Open: NHMRC Program Grants - round 2 - for funding commencing 2009 **Internal
Deadline**

1 Feb, 2008

The aim of this scheme is to provide support for teams of high calibre researchers to pursue broadly based collaborative research activities. Teams will be expected to contribute to new knowledge at a leading international level in important areas of health and medical research.

Further details can be found on the Research Branch webpage - <http://www.adelaide.edu.au/rb/nhmrc/programgrants.html> or on the NHMRC website here - <http://www.nhmrc.gov.au/funding/types/granttype/programs.htm#3>

The relevant Research Branch contacts are Vada Osborn - vada.osborn@adelaide.edu.au or # 35051 and Stacey Williams - stacey.williams@adelaide.edu.au or # 36329

Cancer Council SA - Research Project Grants for Funding in 2009 (through NHMRC application process)

**Internal
Deadline**

22 Feb, 2008

More information here -

http://www.cancersa.org.au/asp/Research_Project_Grants.aspx

The relevant Research Branch contact is Stacey Williams - stacey.williams@adelaide.edu.au or # 36329

National Breast Cancer Foundation - Collaborative Cancer Research Grants to commence in 2008 (applications through NHMRC)

**Internal
Deadline**

22 Feb, 2008

The Priority-driven Collaborative Cancer Research Scheme is a research funding program to help reduce the impact of cancer in the community and improve outcomes for people affected by cancer.

For further information, an application form and/or *Guide for applicants*:

go to Cancer Australia's website:

<http://www.canceraustralia.gov.au>

The relevant Research Branch contact is Stacey Williams - stacey.williams@adelaide.edu.au or # 36329

Heart Foundation Grants-in Aid (now through NHMRC application process)

**Internal
Deadline**

22 Feb, 2008

The Heart Foundation awards Grants-in Aid to support basic, clinical or public health research relevant to heart, stroke and blood vessel disease.

The Heart Foundation is pleased to announce a new agreement with the National Health and Medical Research Council (NHMRC) to partner in the administration of our research funding process for project grants. Under the agreement, applications for funding from the Heart Foundation will be initially assessed by the NHMRC.

Details found here

<http://www.heartfoundation.org.au/Grants-in-Aid.htm>

The relevant Research Branch contact is Stacey Williams -
stacey.williams@adelaide.edu.au or # 36329
