HEADLINES

ARC Linkage Infrastructure, Equipment & Facilities (LIEF) for funding in 2009 - Provisional Internal Information Sheet and Expressions of Interest

**Internal
Deadline**

A _provisional_ internal information sheet, and Expression of Interest form, for the ARC's LIEF 2009 scheme have been developed and can be found at:
<http://www.adelaide.edu.au/rb/arc/LinkInfra.html>
Please note the information is provisional until the ARC release the relevant Funding Rules (expected Feb/Mar).

4 April, 2008

The University will again be using a two stage process for ARC LIEF proposals, and invites Expressions of Interest from intending LIEF applicants. Expressions of Interest are required for any LIEF proposal involving any University of Adelaide researcher, regardless of the intended Administering Institution, and are due in Research Branch by Friday 4th April 2008.

Researchers should particularly note that they can not be named on more than two LIEF 2009 proposals.

Linkage Projects - for Funding Commencing in 2009

**Internal
Deadline**

The Linkage Projects Funding Rules for funding commencing in 2009 are now available from the ARC website:
http://www.arc.gov.au/ncgp/lp/lp_fundingrules.htm

**Full Review
21 April,
2008**

The level of review provided by the Research Branch for Linkage Projects 2009 Round 1 full and complete proposals will be based on the 'three-tiered' internal deadline dates as follows:

1. *Comprehensive Review:* received in RB _by Monday 21 April 2008_
2. *Basic Error Check:* received in RB _from 22 April to 2 May 2008_
3. *Submit 'as is' - without review:* _received after 2 May_

We encourage applicants to consider the level of Research Branch review they wish to receive when planning the time required to complete their full proposal.

The ARC have summarised the main changes to the Linkage Projects Funding Rules at Section 5 of the rules. We will provide further notification when the Proposal Forms and other relevant documentation become available.

Kind regards
ARC Grants Team
Research Branch

NEW

NEWS

National Postgraduate Training Workshop in Systematics

**Internal
Deadline**

This workshop will include advanced level training in phylogenetic methods, mapping and GIS overlay, interactive key development, imaging techniques, nomenclature, databases, publishing results, finding a job, and much more

**31 March
2008**

Workshop is held at The University of Adelaide, **21-25 July 2008**

Note - There is a maximum of 30 places Australia wide.
