PRIZES**ARC - Reminder****GRANTS****Linkage Projects - for Funding Commencing in 2009****Internal
Deadline**

The Linkage Projects Funding Rules for funding commencing in 2009 are now available from the ARC website:

http://www.arc.gov.au/ncgp/lp/lp_fundingrules.htm

**Full Review
5 May, 2008**

The level of review provided by the Research Branch for Linkage Projects 2009 Round 1 full and complete proposals will be based on the 'three-tiered' internal deadline dates as follows:

1. *Comprehensive Review:* received in RB _by Monday 5 May 2008_
2. *Basic Error Check:* received in RB _from 22 April to 5 - 14 May 2008_
3. *Submit 'as is' - without review:* _received after 14 May

We encourage applicants to consider the level of Research Branch review they wish to receive when planning the time required to complete their full proposal.

The ARC have summarised the main changes to the Linkage Projects Funding Rules at Section 5 of the rules. We will provide further notification when the Proposal Forms and other relevant documentation become available.

Kind regards
ARC Grants Team
Research Branch

Special Research Initiatives - ARC/NWC co-funded centre for groundwater research and training - call for proposals

**Internal
Deadline**

16 May, 2008

The Special Research Initiatives Funding Rules for Funding commencing in 2008-2009 or 2009-2010 and a Call for Proposals for an ARC/NWC Co-funded Centre for Groundwater Research and Training are now available on the ARC website
<http://www.arc.gov.au>.

Proposals for the new Centre must be drafted in accordance with the terms and conditions of the Special Research Initiatives Funding Rules for Funding commencing in 2008-2009 or 2009-2010 and the Call for Proposals for the initiative.

An application form will be available shortly.

All enquiries should be directed to James Deed -
james.deed@adelaide.edu.au (ext #33534)

General - Reminder

NEWS

DEEWR 2007 HERDC Publications Collection Reminder

**Internal
Deadline**

**31 March,
2008**

This a reminder that there is still time to get your 2007 publications to your Publications Coordinator for the 2007 Higher Education Research Data Collection.

Publication data reported to DEEWR are used in formulae for allocating Commonwealth funding (Institutional Grants Scheme (IGS), Research Training Scheme (RTS), Australian Postgraduate Awards Scheme, and International Postgraduate Research Scholarship Scheme).

These Publications provide data for research committees and research management, provide references for the University of Adelaide's Digital Library repository which provides public access via the internet to research publications, and is also used in Group of 8 Universities comparative statistics for research performance

NATIONAL - GRANTS

Holsworth Wildlife Research Endowment

**Internal
Deadline**

**24 April,
2008**

PRIZES

South Australian Science Excellence Awards

**Internal
Deadline**

Awards are presented in the following categories:

**(External)
9 May, 2008**

Scientist of the Year

The Scientist of the Year will be awarded to an individual for an outstanding achievement, or series of related achievements in any area of science that significantly advances knowledge and has produced or has the potential to produce an outcome of benefit to the community.

South Australian Tall Poppy (Young Scientist of the Year)

The South Australian Tall Poppy (Young Scientist of the Year) will be selected from South Australia's Young Tall Poppies, and will have been an outstanding champion in his/her field. The Tall Poppy Campaign acknowledges Australia's high achievers, in particular outstanding young researchers across all fields of science, engineering and technology.

No nominations will be received as part of the Science Excellence Awards Nomination Process.

Science Educator of the Year

This award is open to individuals from the higher education and research sectors who have made an outstanding contribution to the enhancement of student learning.

Excellence in Research for Commercial Benefit

This award is open to individuals or teams who have demonstrated exceptional achievement in conducting scientific research and development including the transfer of knowledge to achieve outcomes of commercial and/or economic benefit.

Excellence in Research for Public Good Benefit

This award is open to individuals or teams who have demonstrated exceptional achievement in conducting scientific research and development realising outcomes in social, environmental or other

non-commercial benefit.

Constellation SA Award for Excellence in Collaborative Research

This award recognises teams that have shown excellence in collaboration where a significant benefit has already been or is being delivered between researchers and users of research which could lead to economic, environmental or social benefits for South Australia.

Further details can be found here -
