NHMRC Program Grants – Call for Applications

**1 August,  
2008**

The NHMRC will open a call for applications under its Program Grants Scheme on 31 May 2008, for grants commencing in 2010. The aim of the Program Grants scheme is to provide support for teams of high calibre researchers to pursue broadly based collaborative research activities, contributing to new knowledge health and medical research.

Program Grant applications have been scheduled to eliminate the need for applicants to make simultaneous Project Grant applications. Applications are open for new teams or current Program Grant holders in their 4th or 5th year in 2008.
