NEWS & INFORMATION

2009 NHMRC Academy - Invitation	Due Date
<p>Dear Colleagues,</p> <p>Attached is a letter from the CEO of NHMRC, Professor Warwick Anderson, regarding an opportunity for distinguished researchers to join NHMRC in a vital advisory role.</p> <p>We kindly ask that all applications for appointment as a member of this group be submitted to Research Branch raohealth@adelaide.edu.au reach NHMRC by 4 November 2008.</p> <p>Please see attached documentation for further details:</p> <ol style="list-style-type: none"> 1. Letter from CEO 2. Academy Member Characteristics 	<p>4 November 2008</p>

EMBL Australia Group Leader position - Applications Invited	Due Date
<p>European Molecular Biology Laboratory (EMBL) is an international research organisation offering a highly collaborative, uniquely international culture. It fosters top quality, interdisciplinary research by promoting a vibrant environment consisting of young independent research groups composed of outstanding graduate students and postdoctoral fellows.</p> <p>Applications are invited from suitably qualified scientists wishing to develop their research programme as a group leader at EMBL.</p> <p>Please see the following:</p> <ol style="list-style-type: none"> 1. Group Leader (Australia) Position Advertisement 2. Frequently Asked Questions <p>Additional information is available at: http://www-db.embl.de/jss/servlet/de.embl.bk.emblGroups.JobsPage/08007gr.html</p>	<p>21 November 2008</p>

ARC Future Fellowships - Open	Internal Deadline
<p>The ARC have opened their new 'Future Fellowships' scheme. Please visit the University website: http://www.adelaide.edu.au/rb/arc/FF.html</p> <p>Key dates:</p> <ul style="list-style-type: none"> - Proposals: Due to the expected number of applicants, completed proposals, with certification proforma & coversheet, are due in Research Branch under a 'three tiered' deadline based on the checking level desired: <p>Full Review: by *Monday 3 Nov 2008*</p> <p>'Error Check': After 3 Nov & by 12 Nov 2008</p> <ul style="list-style-type: none"> - Request Not To Assess Forms (to request NOT to have certain assessors) are due in Research Branch by Wednesday 19th November. <p>If you have any queries, please email arcgrants@adelaide.edu.au.</p>	<p>3 November 2008</p>

Final submission deadline for applications to the Human Research Ethics Committee	Due Date
<p>The ethics application submission deadline for the last meeting for 2008 is on Wednesday 5 November 2008. The Committee will meet on 24 November 2008. Please refer to the Human Research Ethics Committee (HREC) website: http://www.adelaide.edu.au/ethics/human/deadlines/</p> <p>The next meeting of the HREC will be in February 2009 with an application submission deadline mid January.</p>	<p>5 November 2008</p>

GRANTS - NATIONAL

ARC Linkage Projects - Round 2	Internal Deadline
<p>Linkage-Projects aims to foster alliances between higher education institutions and external organisations. A specific objective of this programme is to provide opportunities for Postdoctoral and Postgraduate researchers to pursue high quality research collaboration with external organisations.</p> <p>Key Dates:</p> <p>Full Review: by Monday 3 Nov 2008 'Error Check': After 3 Nov, before 12 Nov, 2008 Submission only - No Review : after 12 Nov, 2008</p> <p>For further information, please visit: http://www.adelaide.edu.au/rb/arc/LinkProj.html</p>	<p>3 November 2008</p>

Society of Hospital Pharmacists of Australia (SHPA) - DBL Development Fund	Internal Deadline
<p>In 2008 the DBL Development Fund will provide \$40,000 to assist SHPA members undertake:</p> <ol style="list-style-type: none"> 1. research projects 2. development activities such as attendance at conferences, seminars, study tours. <p>Please download the flyer for this grant which includes further information and application process.</p>	<p>24 December 2008</p>

Department of Health & Ageing - National Collaboration on Eating Disorders (Expression of Interest)	Internal Deadline
<p>The Department of Health and Ageing is seeking Expressions of Interest from suitable organisations, or consortia of organisations, to establish and lead a National Collaboration on</p>	<p>3 November 2008</p>

<p>Eating Disorders.</p> <p>The project will bring together key organisations and eating disorder experts in mental health, public health, health promotion, education and research, as well as the media – to help develop a comprehensive, coordinated national approach to the prevention, early intervention and treatment of eating disorders. Funding is available in 2009.</p> <p>Further information and how to apply is available on the Department's website: http://www.health.gov.au/tenders</p>	
--	--

Gambling Research Australia (GRA) - Expression of Interest (EOI) to undertake a study on Gambling and co-morbid behaviours	Internal Deadline
<p>The GRA is seeking Expressions of Interest (EOI) for research into the theme of gambling and co-morbid disorders. The research project falls within the third research priority area nominated by the Ministerial Council on Gambling: Best approaches to early intervention and prevention to avoid problem gambling.</p> <p>Further information and application forms are available on their website: http://www.gamblingresearch.org.au/CA256DB1001771FB/page/GRA+Tenders-Expression+of+Interest?OpenDocument&1=50-GRA+Tenders%7E&2=10-Expression+of+Interest%7E&3=%7E</p>	<p>20 November 2008</p>

Cure For Life Foundation - Ad Hoc Grants for Research into Brain Tumours	Internal Deadline
<p>The Cure For Life Foundation™ is a charitable organisation established to further the quality of medical knowledge and technical resources available to treat and care for people with brain and spinal cord tumours.</p> <p>Researchers working in fields that are relevant to brain tumours are invited to apply for small ad hoc grants to support research in the calendar year 2008. Grants may be used for equipment,</p>	<p>24 November 2008</p>

<p>consumables, part-time staff support or 'top-up' funding for other grants. These grants are limited to a maximum of \$10,000 and must be used for Australian based projects.</p> <p>Further information and application instructions are available on their website: http://www.cureforlife.org.au/Grant_and_Fellowship_Applications/</p>	
--	--

Australian Society for Parasitology (ASP) - Invited Lectureship Grant	Internal Deadline
<p>This grant allows members of the Society to nominate overseas researchers of international reputation to visit Australia to speak at the Annual Scientific Meeting of the Society and other venues around the country. The invited speaker's expertise must be common to a discipline or symposium represented at the Scientific Meeting. The grant will assist financially with the travel, registration and accommodation at the Meeting. The total amount of the grant will be determined by Council and it is expected that additional support will be sought from elsewhere.</p> <p>Please visit their website for further information: http://parasite.org.au/Lectureship.html</p>	<p>24 December 2008</p>

Cancer Council of NSW - Innovator Grants in Pancreatic Cancer	Internal Deadline
<p>The Cancer Council NSW has developed a new granting scheme, known as Innovator Grants, to promote the development and sharing of innovative cancer research ideas, which address agreed research goals in pancreatic cancer.</p> <p>Innovator Grants offer opportunities for researchers of any background that have a strong commitment to research, have demonstrated their potential to undertake high quality scientific research and have an ability to identify novel ways to answer pressing questions for improving patient outcomes.</p> <p>The Cancer Council NSW seeks proposals from all areas of</p>	<p>12 December 2008</p>

basic, clinical, public health practice, behavioural, and epidemiological research. Proposals should be for innovative and original research projects of high quality and potential. The projects must be aligned to the research goals in pancreatic cancer that have been identified through one of The Cancer Council's Strategic Research Partnerships

Researchers working in Australian institutions are eligible to submit applications.

Additional information, guidelines and application forms are available on their website:

<http://www.cancercouncil.com.au/editorial.asp?pageid=2433>

GRANTS - INTERNATIONAL

Meningitis Research Foundation - Research Grants (Preliminary proposals)	Internal Deadline
<p>The foundation aims to defeat meningitis and septicaemia through research. Research proposals must demonstrate clear relevance to the disease area and have potential for prevention of these diseases or other clinical or public health benefit.</p> <p>Research may be clinical, laboratory based, or epidemiological. The foundation will consider funding basic science, but this must increase understanding of the disease area and have a clearly defined potential for early translation into alleviation of the diseases. Research application is open to nationals of any country.</p> <p>The charity awards project grants only, up to a maximum of £150,000 per year for up to five years. As a guideline, the majority of grants awarded are in the region of £70,000 to £100,000 per year for up to three years, with a number of small grants of up to £30,000 per year also meeting success.</p> <p>More information and application procedure can be found at: http://www.meningitis.org/research/information-for-applicant/applying-for-a-research-grant-from-meningitis-research-foundation</p>	<p>21 November 2008</p>

Swedish Foundation for International Cooperation in Research and Higher Education (STINT Foundation) - Institutional Grants Programme (IGP)	Internal Deadline
<p>The overall objective of the IGP is to strengthen Swedish research and higher education through international cooperation, by widening the scope of exchange and supporting the development of new patterns of collaboration. The programme is open for applications within all scientific areas. The programme intention is to help groups of researchers, or groups focusing on higher education issues create more lasting international networks.</p> <p>Participation in the programme is open for cooperation with universities all over the world. The programme may include more than one Swedish university department or research group and more than one foreign university. Funding will be provided for a maximum of four years. The grant will cover costs relating to the exchange of faculty, postdoctoral researchers, and postgraduate students of the partner universities.</p> <p>For more information and applications forms, please visit the following website: http://www.stint.se/index.php?articleId=121</p>	<p>8 December 2008</p>

US DoD Breast Cancer Research Postdoctoral Award Funding (Pre-applications)	Internal Deadline
<p>The US Department of Defense Breast Cancer Research Program (BCRP) has released the “Postdoctoral Awards” Program. The Postdoctoral Award enables recent medical or other doctoral degree graduates to obtain the necessary experience to pursue an independent career in breast cancer research. Candidates for this award should exhibit a strong desire to pursue a career in breast cancer research.</p> <p>This funding opportunity information may interest current and about-to-be postdoctoral scientists interested in bio-life, basic, bio-engineering, epidemiology, behavioral, and social scientists considering focusing on breast cancer research at the University of Adelaide.</p> <p>The Program Announcement and application instructions are available on: http://cdmrp.army.mil/funding/bcrp.htm</p>	<p>12 November 2008</p>

FELLOWSHIPS

Newton International Fellowships	Internal Deadline
<p>The Newton International Fellowship scheme will select the very best early stage post-doctoral researchers from all over the world, and offer support for two years at UK research institutions.</p> <p>They provide grants of £24,000 per annum to cover subsistence and £8,000 to cover research expenses, plus a one-off relocation allowance of £2,000.</p> <p>As part of the scheme, all Newton Fellows who remain in research will be granted a 10 year follow-up funding package worth £6,000 per annum.</p> <p>For more information about this opportunity including application instructions, please visit their website: http://www.newtonfellowships.org/the-fellowships.html</p>	5 January 2008

WORKSHOP / CONFERENCE

The Australian Academy of Technological Sciences and Engineering (ATSE) - Expression of Interest Submission	External Deadline
<p>The Australian Academy of Technological Sciences and Engineering is pleased to offer Australian researchers an opportunity to submit expressions of interest for international Missions, Workshops and Delegations during the financial year 2009-2010.</p> <p>EOI forms and selection criteria are detailed on the ATSE website: http://www.atse.org.au</p>	3 November 2008

18th International Mass Spectrometry Conference 2009 - Call for Abstracts	Internal Deadline

<p>The 18th International Mass Spectrometry Conference will take place in the Bremen, Germany at the Bremen Conference Centre (BCC) from Sunday 30th August to Friday 4th September, 2009.</p>	<p>31 March 2008 Ext.</p>
<p>The scientific program will deal with all areas of mass spectrometry from fundamental to applied research in chemistry, physics, biology, medicine, geology and related disciplines.</p>	
<p>The general registration starts at November 30, 2008. Please keep in mind that only the payment of the conference dues completes your registration. The deadline for the regular registration is set to March 31, 2009. After this date an increased registration fee has to be paid. The deadline for the late registration is August 15, 2009. After this day only on-site registration is possible.</p>	
<p>The abstract submission for lectures and posters will start on November 30, 2008. Please note that the submission of abstracts ends by March 31, 2009.</p>	
<p>For more information please see the website at: http://www.imsc-bremen-2009.de/</p>	

<p>Heart Foundation Conference 2009 - Call for Abstracts</p>	<p>External Deadline</p>
<p>The Heart Foundation are pleased to announce the call for abstracts is now open for the Heart Foundation Conference to be held in Brisbane, Queensland from 14-16 May 2009.</p>	<p>3 December 2008 (Ext.)</p>
<p>They aim to create an inclusive program which incorporates a broad perspective of public health, research and clinical issues relating to cardiovascular health. Ranging from presentations on scientific research to innovative grass roots interventions and case studies, there will be something for everyone.</p>	
<p>Further information is available on the following website: http://www.heartfoundation2009.com/abstract.asp</p>	

OTHER REMINDERS

Horticulture Australia Limited - Industry Call for projects to be funded in 2009/10	Internal Deadline
<p>HAL Industry Call for projects to start in 2009/10 has opened. All projects seeking HAL funds (levy and/or VC that relates to a specific commodity group) must be submitted as a full proposal in this industry call.</p> <p>Please refer to HAL’s website for details of the research priorities for horticulture industries: http://www.horticulture.com.au/working_hal/proposals.asp</p> <p>Applicants are strongly encouraged to make use of the contact details listed for each industry to discuss their proposal before submission.</p>	<p>10 November 2008</p>

Morris Animal Foundation - First Award Grant (Letter of Intent)	Internal Deadline
<p>Morris Animal Foundation improves the health and well-being of companion animals and wildlife by funding humane health studies and disseminating information about these studies. Morris Animal Foundation is the funding source for animal health studies that are conducted at veterinary institutions throughout the world.</p> <p>The goal of the First Award Grant program is to offer veterinary and/or doctoral (PhD) investigators opportunities early in their career by: 1) providing research funding for their ‘first’ project in companion animal or wildlife research; and 2) pairing them with a ‘seasoned’ researcher (MENTOR) to facilitate launching a successful, long-term, scientific career in advancing companion animal and wildlife health.</p> <p>Maximum of \$50,000 maximum per year for 2 years.</p> <p>For further information and application details, please visit their website: http://www.morrisanimalfoundation.org/scientists</p>	<p>10 November 2008</p>

Morris Animal Foundation - Established Investigator Grants	Internal Deadline
<p>Morris Animal Foundation improves the health and well-being of companion animals and wildlife by funding humane health studies and disseminating information about these studies. Morris Animal Foundation is the funding source for animal health studies that are conducted at veterinary institutions throughout the world.</p> <p>For further information and application details, please visit their website: http://www.morrisanimalfoundation.org/scientists</p>	<p>10 November 2008</p>

The National Film and Sound Archive (NFSA) - Research Fellowships	Internal Deadline
<p>The NFSA is seeking applications from established researchers and audiovisual practitioners with a record of significant achievement for Research Fellowships.</p> <p>Senior academics, scholars, writers, filmmakers, artists and archival professionals from Australia and overseas are encouraged to apply. The fellowships involve a residency at the NFSA in Canberra, with accommodation supplied. Fellows can use the NFSA's collections to stimulate or otherwise inform an academic publication, a new sound or moving image work, or a live event.</p> <p>For further information, guidelines and an application form, please visit their website: http://www.nfsa.gov.au/about_us/sar/sar_research_fellowships.html</p>	<p>7 November 2008</p>

Department of Environment, Water, Heritage and the Arts - Call for Expressions of Interest (Green Precincts Fund)	Internal Deadline
<p>The <i>Green Precincts Fund</i> was announced to support at least 10 high-profile demonstration projects that deliver water and energy savings while educating the community about water and energy efficiency.</p>	<p>15 November 2008</p>

<p>More detailed information and application forms are available on their website: http://www.environment.gov.au/water/programs/green-precincts/index.html</p>	
---	--

Royal Geographical Society - Thesiger-Oman Fellowships	Internal Deadline
<p>The Royal Geographical Society offers two annual fellowships of up to £8,000 for geographical research in the arid regions of the world, as a memorial to Sir Wilfred Thesiger.</p> <p>The fellowship funds two researchers with outstanding research proposals including periods of arid environment fieldwork. To reflect Thesiger's interests, research within the Middle East and other arid regions he visited will be given priority, but applications for work in the world's other arid regions is also welcomed.</p> <p>Further information, application form and guidelines are available on their website: http://www.rgs.org/OurWork/Grants/Research/Thesiger-Oman+Fellowships.htm</p>	<p>21 November 2008</p>
