Slide 4

Life Impact The University of Adelaide

## RED for research students

- Focus: developing high-level learning and communication skills for research

## RED program types

- Online modules
- Face-to-face workshops
- The Integrated Bridging Program-Research (IBP-R)
- Limited individual consultations

## RED Online Modules

- Writing a research proposal
- Writing a thesis or dissertation in your discipline
- Citation is more than referencing!
- Plagiarism and independent research writing
- Additional modules added periodically to complement face-to-face workshops

## Accessing the RED online modules

**MyUni**

*My Courses*

***Writing and Speaking at Uni***

*Researcher Education and Development*

## RED face-to-face workshops

- Generic writing
- Research tools
- Faculty or discipline
- EAL research communication

## RED program enrolment & updates

- Enrol in RED workshops via the RED area of the Adelaide Graduate Centre website:

<http://www.adelaide.edu.au/graduatecentre/rep/student/>

- And check the **AGC News**

<http://www.adelaide.edu.au/graduatecentre/agcnews/>

Hope to see you soon!

- Find us at:  
**Level 6, 115 Grenfell St**
- Phone us on:  
**830 33022**
- Email us at:
