

2017 Adelaide Research Fellowships Scheme: CV Requirements

Curriculum vitae requirements

Prepare a curriculum vitae of no more than 5 pages that addresses:

- Research achievements other than research outputs (examples may include prizes, honours, awards, patents, IP licences, invited keynote and speaker addresses, and other professional activities).
- Any high-quality innovation and commercialisation outcomes (examples may include significant achievements and outcomes that have contributed to a tangible impact for end users).
- External funding track record (include externally funded research grants and provide details of sponsor, funding scheme, project title, years funded, total funding amount, lead investigator, your role in the project e.g. Chief Investigator, Partner Investigator, Associate Investigator).
- HDR completions.
- Ten career-best research outputs.
- Significant research outputs (2012 – present). List outputs:
 - Scholarly books
 - Scholarly book chapters
 - Refereed journal articles
 - Refereed conference papers
 - Other research outputs

Important to Note: The CV is required to be uploaded on the Attachments page on the eform against Q23. Only pdf, doc and docx are acceptable file formats that can be uploaded.
