

## 2008 SCHOLARSHIP WINNERS

After several years of hard work the Patron and Co-patrons of the ROCA Roseworthy Campus and Student Fund are particularly pleased that for the first time three scholarships have been awarded in 2008. As a result from the support from old scholars and the agricultural community generally the Dillon Scholarship was awarded for the second time.

This year has two new scholarships have also been awarded for the first time - a Roseworthy Campus and Student Fund Scholarship and a Royal Agricultural and Horticultural Education Foundation of SA Roseworthy Scholarship.

Recipients, who are to be congratulated for their success, are:

- The Trevor Dillon Agronomic Scholarship for a first year student - Mathew John Winslow of Underbool, Victoria.
- The Roseworthy Campus and Student Fund Scholarship - Alexandra Alice Mary Fowler.
- The Royal Agricultural and Horticultural Education Foundation of SA's Roseworthy Scholarship – Luke Aaron Doecke of Blanchtown.

The Dillon award was presented in late June at a Rural Media luncheon while the other two presentations were made in the Campus dining room on August 1 to coincide with meetings of the Co-patrons and the ROCA Committee.
