A surprise presentation by brothers Philip and James Laffer at the ROCA Annual Reunion Dinner in October 14<sup>th</sup> 2005 was the College blazer worn by their father Len Laffer when at the college in the 1940s.

Receiving the blazer for the ROCA archives, President Mark Seeliger said that it was especially unique to ROCA and would be preserved for nostalgic purposes.

“Len Laffer was a ROCA Award of Merit recipient in 1976 for his leadership in the wine industry and son Philip was the recipient of the same award in 2003, also for his major contribution to the Australian wine industry”, he said.

“The Laffer family is the only family to have received more than one ROCA Award of Merit..

The blazer will be displayed amongst ROCA memorabilia at the Roseworthy Campus.
