

Defence Science and Technology Organisation (DSTO) Scholarships in Photonics 2012

DSTO is offering a number of scholarships to students undertaking the Bachelor of Science (Optics and Photonics) program. These scholarships will provide financial assistance to students to assist in meeting educational and living costs.

Two scholarships of \$2,000 are to be offered for students in the first, second and third year of the Bachelor of Science (Optics and Photonics) program (i.e. 6 scholarships in total) at the University of Adelaide.

In addition one scholarship of \$5,000 is to be offered for the Bachelor of Science (Honours) program in the area of Optics and Photonics for a student transferring from another institution to the University of Adelaide.

This DSTO scholarship is available to Australian citizens who are undertaking a Bachelor of Science (Optics and Photonics) program of study undertaking study on a full time basis at the University of Adelaide as a Commonwealth supported student.

Selection for this scholarship will be made according to academic merit. For first year students this will be assessed according to ATAR scores or according to academic records from tertiary or post secondary level of study. Scholarships for 2nd and 3rd year of the degree program will be awarded to the highest performing students in the preceding year, which will be assessed having regard to the student's cumulative Grade Point Average [GPA] for the preceding year(s).

The scholarship must be taken up in the year in which it is offered: acceptance of the scholarship offer cannot be deferred. If a student declines the scholarship offer, the scholarship will be offered to the next eligible student.

Students entering level 1 of the degree of Bachelor of Science (Optics and Photonics) or the Bachelor of Science (Honours) will need to complete an application form for the scholarship. For other year level scholarships all enrolled students in that year level will be considered automatically.

Applications close Friday 2 March 2012.

Defence Science and Technology Organisation (DSTO) Scholarships in Photonics
