

## **Golder Associates Geotechnical and Environmental Engineering Scholarship 2012**

This Scholarship has been established by Golder Associates which is one of the most respected global groups specializing in ground engineering and environmental services.

The scholarship is to benefit students who are undertaking their fourth year of an undergraduate program of study in either the Bachelor of Engineering (Civil and Structural) or the Bachelor of Engineering (Civil and Environmental) specialising in Geotechnical engineering at the University of Adelaide.

The value of the scholarship is \$5000 for one year and will be offered to students who are Australian citizens or permanent residents of Australia. The scholarship is to contribute towards living and or education costs.

Students should be in their fourth year of study and undertaking study on a full time basis as a Commonwealth Supported student.

Selection for this scholarship will be made according to academic merit and with reference to applicants' statements regarding the outcome of their program of study, community involvement and academic and other achievements. Academic merit will be determined according to applicants' cumulative Grade Point Average [GPA] for the preceding years.

The Scholarship must be taken up in the year in which it is offered; acceptance of the Scholarship offer cannot be deferred. If a student declines the Scholarship offer, the Scholarship will be offered to the next eligible student.

**Applications for this scholarship close Friday 2 March 2012.**
