CONGRATULATIONS!

5 students from the Bachelor of Nursing were selected as posters presenters @ the 1st NUS-NUH International Nursing Conference 2011

“ The first intake of students into the University of Adelaide, School of Nursing, Bachelor of nursing (Post Registration) program in Singapore completed their studies at the end of 2011. They are an enthusiastic group and are wonderful ambassadors for the program. We wish them every success in their careers. They are the future leaders for nursing in Singapore and the future looks bright! The program has continued to attract high quality students and we are very confident of maintaining these excellent standards with future graduates. ”
