

Offer Acceptance Rate

This report identifies the percentage of offers that resulted in an enrolment. That is, for each offer year, the percentage of offers for which an enrolment has subsequently been received (in any year). An enrolment does not have to occur in the same year of the offer.

Default Fields:

Field	Description
Offer Acceptance Rate	The percentage of offers that resulted in enrolments
Offer Year	The year the offer was made
Enrolment Faculty	The name of the faculty that administers the award

Drilling Capability:

Enrolment Faculty

-> Enrolment School

-> Enrolment Local Unit

Offer Year

-> Offer Month

-> Offer Day
