

# Offers, Enrolments and Offer Acceptance Rates

This report is a more detailed look at the Offer Acceptance Rates. It details the number of offers, enrolments and offer acceptance rates by broad program level for a given enrolment faculty and offer year.

## **Default Fields:**

<b>Field</b>	<b>Description</b>
Offers	The number of offers made for awards
Enrolments	The number of award enrolments. The person has an enrolment in at least one course for an award.
Offer Acceptance Rate	The percentage of offers that resulted in enrolments
Broad Program Level	A broad grouping of programs into categories such as undergraduates and postgraduates.
Offer Year	The year the offer was made (users can change the year by selecting the required year via a drop down list)
Enrolment Faculty	The name of the faculty that administers the award (users can change the faculty by selecting the required faculty via a drop down list)
