Remember that only **FINANCIAL** members of your club are eligible to be nominated. Forms need to be submitted to the Sports Association by Friday 16th May.

Membership Lists

With O'Week over it is now time for sporting clubs to collate your membership lists and get them plus any associate membership fees (\$66) and any junior fees (\$11) into the sports office so that your members are covered if they have an accident.

2007 Annual Reports

Thank you to those clubs who have submitted their 2007 Annual Reports. Some clubs have been a tad tardy in submitting these reports. To avoid any penalties from the Sports Association please submit them ASAP.
