

Rural Clinical Skills OSCE DVD set - available

The **Spencer Gulf Rural Health School Rural Clinical Skills DVD set** is complete.

The set of seven DVD's includes procedures such as Cranial Nerves, Thyroid, Cardiology, Neurology, Gastrointestinal. Each DVD outlines practical clinical steps in performing each examination and a demonstration of the system OSCE exam.

Dr Natalie Giles, Dr Hubertus Jersmann, Professor Dick Ruffin and Associate Professor James Temlett assisted with the production of the DVD's with the filming and editing done by Warren McKenzie from SGRHS Whyalla
