

**Centre for Stem Cell Research
EARLY CAREER RESEARCH
FELLOWSHIP 2008
Certification**

Fellow Certification

I certify to the best of my knowledge, all the details on the application form are true and complete and that I have complied with the Centre's Guidelines. I understand and agree that all appropriate ethical and safety clearance requirements will be obtained before the proposed research commences.

In relation to the Fellowship terms, I acknowledge that the Centre for Stem Cell Research will provide a maximum of \$100,000 per annum towards salary and including on costs for each of the three years, and that any costs including salary, superannuation, research and travel costs above this value will be the responsibility of the Head of the Fellow's resident group.

Resident Research Group Certification

I certify that the project is viable in terms of existing workloads and the Group's resources, and that it will not be permitted to proceed until appropriate safety and ethical clearance have been obtained. The Fellow's resident group will be responsible for managing any salary (and on costs) shortfall such as in the event of the Fellow's appointment to a salary scale exceeding the maximum of \$100,000 per annum limit and any costs including research and travel costs above this value will be the responsibility of the Head of the Fellow's resident group.
