

CENTRE FOR STEM CELL RESEARCH

2009 ANNUAL MEETING

Wednesday 11th November 2009

Date: Wednesday 11th November 2009

Venue: The Wine Centre

Time: 9am – 5pm followed by drinks and nibbles

Program: Attached (may change slightly before the event)

CENTRE FOR STEM CELL RESEARCH ANNUAL MEETING

As this is the first official event since the launch of the Centre, the aim of the Annual Meeting is to bring together all members of the Centre for Stem Cell Research. This meeting is to openly discuss topics relevant to all members, update on Centre achievements and direction, to share innovative ideas, techniques and resources.

For the 2009 Annual Meeting, we aim to introduce all groups within the centre to our members. This event will allow each group to get an understanding of work that is being performed within our centre in the field of stem cells. Our aim is for our members to have a better understanding of each group, to be updated on current student projects and enable us to share equipment and techniques.

INVITED SPEAKER - (TBA)

SPEAKERS – Group Leaders

- 15 minute talks (please bring on your USB stick)
- Summary of the group, their achievements, future vision, possible collaborations...
- Please advise Leanne if the allocated time on the program is not suitable

POSTER SESSION – PhD Students only

- Poster can be previously presented at other meetings
- Posters will be displayed in the foyer area for viewing during morning/afternoon tea and lunch breaks
- Students are to submit an Abstract to leanne.srpek@adelaide.edu.au by the **30th October** to be eligible for an award
- Students are to display the poster in the morning of the Event (8.30-9.00am)
- Awards for first and second prize
 - 1st prize \$2000 conference travel voucher
 - 2nd prize \$1000 conference travel voucher

OTHER AWARDS – Published Papers

- Awards to Researchers for Stem Cell based Published Papers from Sept 08 to Sept 09
- Papers will not be included if they are 'in print'
- Papers are to be submitted to leanne.srpek@adelaide.edu.au by the **6th November**

The Categories are:

- Best Scientific Paper \$1000 for Laboratory to spend as they choose (E.g. equipment, lunch celebration etc)
- Best Clinical Paper \$1000 for Laboratory to spend as they choose (E.g. equipment, lunch celebration etc)

CENTRE FOR STEM CELL RESEARCH

2009 ANNUAL MEETING

Wednesday 11TH November 2009 at the National Wine Centre

PROGRAM	MC Simon Koblar
9.00am	Registration
9.15am	Official welcome: Director (Stan or Mark)/Centre update
