

Postgraduate Coursework

Programs Available

Mid-year Entry

Semester 2, 2009

Please note: Applications for the following programs must be made through SATAC's GradStart unless otherwise stipulated. Tuition Fees may apply – see the following website for details:
www.adelaide.edu.au/programs/pgcw.html

Engineering, Computer & Mathematical Sciences

Computer Science

Graduate Certificate in Computer Science
Graduate Diploma in Computer Science
Master of Computer Science

ECIC

Graduate Certificate in Innovation and Entrepreneurship
Graduate Certificate in Project Management
Graduate Certificate in Science & Technology Commercialisation
Graduate Certificate in Social Entrepreneurship and Innovation
Graduate Diploma in Innovation and Entrepreneurship
Graduate Diploma in Science & Technology Commercialisation
Master of Applied Innovation and Entrepreneurship
Master of Applied Innovation and Entrepreneurship (Advanced)
Master of Applied Project Management:
 Climate Change
 Defence
 Mining
Master of Applied Project Management Advanced:
 Climate Change
 Defence
 Mining
Master of Computing and Innovation
Master of Project Management
Master of Science & Technology Commercialisation
Master of Science & Technology Commercialisation (Advanced)

Engineering

Graduate Certificate in Marine Engineering
Graduate Certificate in Water Resources Management
Graduate Diploma in Marine Engineering
Graduate Diploma in Water Resources Management
Master of Engineering:

 Aerospace
 Chemical
 Civil & Environmental
 Civil & Structural
 Electrical & Electronic
 Engineering Mathematics
 Mechanical
 Mechatronics

Master of Engineering (Advanced):

 Aerospace Engineering
 Chemical Engineering – Energy & Combustion
 Chemical Engineering – Environmental & Sustainability
 Chemical Engineering – Food and Bio Processing
 Civil & Environmental Engineering
 Civil & Structural Engineering

*Apply through the Faculty Office
Apply through the Faculty Office
Apply through the Faculty Office
Apply through the Faculty Office*

Electrical
Mechanical Engineering
Mechatronics
Sensor Systems Signal Processing
Telecommunications

Master of Marine Engineering
Master of Petroleum Business Management
Master of Petroleum Engineering
Master of Software Engineering
Master of Water Resource Management

Apply through the Faculty Office

Apply through the Faculty Office

Mathematical Sciences

Graduate Certificate in Mathematical Signal & Information Processing
Graduate Diploma in Mathematical Sciences
Master of Mathematical Sciences
Master of Mathematical Sciences (Signal & Information Processing)

Health Sciences

Graduate Certificate in Biostatistics
Graduate Certificate in Grief & Palliative Care Counselling
Graduate Certificate in Nursing Science:
Apheresis Nursing
Evidence-Based Practice
Hyperbaric Nursing
Infection Control Nursing
Retrieval Nursing

Graduate Certificate in Occupational Health & Safety
Graduate Certificate in Public Health
Graduate Diploma in Addiction and Mental Health
Graduate Diploma in Biostatistics
Graduate Diploma in Grief & Palliative Care Counselling
Graduate Diploma in Nursing Science:
Acute Care Nursing
Anaesthetic & Recovery Nursing
Burns Nursing
Cardiac Nursing
Community Health & Primary Care
Emergency Nursing
Evidence-Based Practice
Infection Control Nursing
Intensive Care Nursing
Mental Health Nursing
Oncology Nursing
Orthopaedic Nursing
Perioperative Nursing

Apply through the Faculty Office

Graduate Diploma in Occupational Health & Safety
Graduate Diploma in Public Health
Master of Biostatistics
Master of Grief & Palliative Care Counselling
Master of Health Economics and Policy
Master of Nursing Science
Master of Occupational Health & Safety
Master of Public Health

Apply through the Faculty Office

Apply through the Faculty Office

Humanities & Social Sciences

Professional Certificate in Art History
Professional Certificate in Environmental Policy & Management
Graduate Certificate in Applied Linguistics
Graduate Certificate in Art History
Graduate Certificate in Environmental Policy & Management
Graduate Certificate in International Studies
Graduate Diploma in Applied Linguistics

Graduate Diploma in Art History
 Graduate Diploma in Environmental Policy & Management
 Graduate Diploma in International Studies
 Graduate Diploma in Music (Performance and Pedagogy)
 Graduate Diploma in Music Performance
 Master of Arts (Applied Linguistics)
 Master of Arts (Curatorial and Museum Studies)
 Master of Arts (Studies in Art History)
 Master of Arts (Studies in Art History)/Master of Arts (Curatorial & Museum Studies)
 Master of Arts (International Studies)
 Master of Environmental Policy & Management
 Master of Environmental Policy & Management (Applied)
 Master of Music (Performance and Pedagogy)
 Master of Music (Performance Studies)

Professions

School of Architecture, Landscape Architecture & Urban Design

Graduate Certificate in Design in Digital Media
 Graduate Diploma in Design in Digital Media
 Master of Design in Digital Media

Business School

Professional Certificate in Self-Managed Superannuation
 Graduate Certificate in Commerce
 Graduate Certificate in Management *Trimester 2 or 3*
 Graduate Diploma in Business Administration *Trimester 2 or 3*
 Graduate Diploma in Global Wealth Management
 Master of Accounting and Finance
 Master of Accounting and Marketing
 Master of Accounting and Performance Management
 Master of Business Administration *Trimester 2 or 3*
 Master of Business Administration (Advanced) *Trimester 2 or 3*
 Master of Business Research
 Master of Commerce
 Master of Commerce (Accounting)
 Master of Commerce (Applied Finance)
 Master of Commerce (Marketing)
 Master of Commerce (Performance Management)
 Master of Finance and Business Economics

Apply through the Faculty Office

School of Economics

Professional Certificate in Public Policy
 Graduate Certificate in Economics
 Graduate Certificate in International Economics
 Graduate Diploma in Applied Economics
 Graduate Diploma in International Economics
 Master of Applied Economics
 Master of Applied Economics (International)
 Master of Applied Economics (Public Policy)
 Master of Economics (Coursework)

School of Education

Graduate Certificate in Education (Higher Education)
 Graduate Certificate in Education (Mathematics & Technology)
 Graduate Certificate in Education (Science & Technology)
 Graduate Certificate in Online Learning
 Master of Education (Mathematics & Technology)
 Master of Education (Science & Technology)
 Master of Educational Research
 Master of Educational Studies

Apply through CLPD

Apply through CLPD

Law School

Master of Business Law

Master of Business Law and Master of Commerce
Master of Business Law and Master of Commerce (Accounting)
Master of Business Law and Master of Commerce (Applied Finance)
Master of Business Law and Master of Commerce (Marketing)
Master of Comparative Laws (Adelaide/Mannheim)
Master of Laws
Master of Law and Master of Commerce
Master of Law and Master of Commerce (Accounting)
Master of Law and Master of Commerce (Applied Finance)
Master of Law and Master of Commerce (Marketing)

Sciences

Graduate Certificate in Agricultural Business
Graduate Certificate in Oenology
Graduate Certificate in Physics
Graduate Certificate in Sustainability
Graduate Certificate in Viticulture

Apply through the Faculty Office

Graduate Diploma in Agricultural Business
Graduate Diploma in Oenology
Graduate Diploma in Physics
Graduate Diploma in Sustainability
Graduate Diploma in Viticulture

Apply through the Faculty Office

Masters of Agricultural Business
Masters of Oenology
Masters of Science (Applied Physics)
Masters of Science (Astrophysics)
Masters of Science (Atmospheric Physics)
Masters of Science (Optics & Lasers)
Masters of Science (Theoretical Physics)
Master of Sustainability
Master of Sustainability (Advanced)
Master of Viticulture

Apply through the Faculty Office
