## NOTES

- Note 1:** For further details on other selection criteria - refer to [www.adelaide.edu.au/programs/](http://www.adelaide.edu.au/programs/) or relevant program information leaflet.
- Note 2:** All Music programs require an audition. Please refer to refer to [www.adelaide.edu.au/programs/](http://www.adelaide.edu.au/programs/) or relevant program information leaflet for detailed information on Assumed Knowledge requirements. Degree programs require satisfactory completion of SACE Stage 2, Year 12, or equivalent. Certificates IV in Music require completion of SACE Stage 1, Year 11, or equivalent qualifications. Applicants with a range of backgrounds will be considered for the Certificate III. Please note that completion of a certificate does not automatically lead to entry to a degree program in music.
- Note 3:** a) Any two SACE Stage 2 Scie. subjects chosen from Biol., Chem., Geol., Math. Methods, Math. Studies, Specialist Math., Phys. or Psych. (Note: only one math. subject may be used to meet prerequisite requirements.)  
 b) IB students: Either two Science subjects or one Science subject plus Mathematics (see IB table).
- Note 4:** Two SACE Stage 2 Science subjects - One chosen from Chemistry, Mathematical Studies, Physics or Specialist Mathematics; One from Biology, Chemistry, Geology or Physics; or equivalents.
- Study flexibility:** Economics, Humanities & Social Sciences, and Science offer some courses in the evening.
- Part-time study:** All programs, except Dentistry, Oral Health and Medicine, can be studied part-time.
- Deferred study:** All programs, except Nursing, Arts/Music and other Music programs, can be deferred for at least one year.
- More information:** Please refer to relevant program information leaflets for further information.
