This form deals with the applications for:

- Student Leave of Absence
- Extension of Student Leave of Absence

Please fill in your contact and program details below, and then complete the section of the form relating to your specific leave requirements.

Notes

- 1. Leave Approval:** You are not entitled to take Student Leave of Absence or an Extension of Student Leave of Absence from your program(s) unless you have received notification *in writing* from your School or Faculty that your application for leave has been approved.
- 2. Dropping Classes:** Once you have received notification from your School or Faculty that your application for leave has been approved, you are responsible for dropping your classes for the time you will be absent from the University. This must be done before the relevant Census date. *Failure to do so means you will incur the cost of the tuition fees or HECS-HELP fees normally charged for your courses.*
- 3. Enrolled in more than one program?** If you are enrolled in more than one program, you need to indicate this next to the heading "Additional program/s" in "Contact and Program Details" below. If you are studying an additional program in a different school or faculty, you need to complete a separate Student Leave of Absence Form and lodge it with the relevant school or faculty.
- 4. Length of leave of absence:** Leave of absence is usually approved for periods from one term up to *a maximum of one academic year* at any one time. International students are advised to check their visa conditions before applying for leave of absence.
- 5. Scholarship recipients and sponsored students:** Scholarship recipients need to seek approval to defer their scholarship. Failure to do so could result in the loss of their entitlement. Sponsored students need to seek approval from their sponsor to defer their scholarship before taking leave of absence.
- 6. Fee implications:** Taking leave of absence may have fee implications for the following students:
 - ♦ Pre 2005 HECS students (see *Pre-2005 students - repayment arrangements* at www.goingtouni.gov.au).
 - ♦ Domestic and international full-fee paying students (see *Tuition Fees Increase Policy* at www.adelaide.edu.au/policies/1343).
