- affix the new permit to the vehicle's windscreen (driver's side) or if two vehicles are recorded affixed to a piece of perspex or some form of clear plastic and place on dash (driver's side) in accordance with the rules determined by the University Council;
- only use the permit on the vehicle/s for which it is issued;
- to ascertain, and comply with, the University's rules about parking areas and traffic flow; and
- to remove the permit before disposing of the vehicle, on ceasing to be eligible for a parking permit and on the expiration of the period for which the permit is valid.
