

Practical Music Video Exam

Suggested Script

13 April 2022

Australian
Music
Examinations
Board SA & NT

This script is a guide for supervisors and candidates recording a video exam, which fulfils the requirements for supervisor and candidate identification on the video. Please note, the [guidelines on the website for recording quality and setup](#) should be consulted to prior to using this script.

→ **Press Record** (the recording must take place in one take only)

→ **Supervisor standing in front of camera to say:**

My name is _____ and I am supervising this exam today. The date is _____ and the time is _____, and the Erolment Key is _____.

→ **Candidate to be positioned in front of camera with instrument. Candidate to say:**

My name is _____ and I am enrolled in a <exam and grade name>.

If Video Comprehensive:

I will now be performing my technical work. First, I will play <name technical work example including articulation>.

→ **Candidate to continue to play each example, announced. Gaps between pieces should be minimal. Alternatively, the supervisor can announce each example. Note – pieces can be played before technical work, if preferred.**

If Video Repertoire (or Video Comprehensive, once technical work has been played):

My first piece is _____ by _____.

→ **Candidate to continue to play each piece. Gaps between pieces should be minimal.**

→ **Stop recording - the recording should cease immediately after the last piece has finished.**
